

PADEL COUNTY CHAMPIONSHIPS GUIDANCE 2025

In 2024, following input and discussion from the DTAG Padel & Competitions Workstreams, the delivery of a padel county competition was added to the County Core Role, with associated funding, and as such we encourage all counties to run a Padel County Championships.

This guidance is to support National, County & Island Associations with the delivery of a Padel County Championships. It is not a full list of actions, and it is at the County Association's discretion on how they wish to deliver the event.

Key Actions:

- Select and book an appropriate venue:
 - County Championships expected date – **24 – 31 August 2025** (*Counties do have the option to use an alternative date dependent on venue availability and other events*).
 - We encourage Counties to deliver their Tennis and Padel County Championships at the same venue where possible. Alternatively, Counties can deliver their Tennis and Padel County Championships during the same week, but at two different venues if needed.
 - In circumstances where Counties do not have access to padel courts within their county boundaries, we encourage you to source a venue within a neighbouring County.
- Confirm a Referee (and any other helpers for the tournament(s))
 - The referee should be an LTA Licenced Official and have a referee grade above R5.
 - The referee must have completed the LTA Referee Padel Conversion Course.
- Create your County Championships competition on the LTA Competition Management System.
 - If you are planning to run your Padel County Championships between 22 April and 31 August 2025 you will need to submit your competition application by **Sunday 2 February 2025**.
 - Please use the '2025 G3-G5 Padel Competitions April – August' application window and note the following:
 - Name of file to be as follows – <full county name> Padel County Championships 2025
 - All Padel County Championships will be Grade 3 events.
 - All Counties must offer a minimum of Mens and Womens Open doubles events, counties should not run a men's only event.
 - Counties can run more age groups and events at their discretion.
 - *Please note that if you are planning to run your Padel County Championships between 1 September and 31 December 2025 you will need to submit your competition application between 19 May and 15 June 2025.*
- Purchase padel balls (we recommend the Dunlop Pro padel ball).
- We recommend Counties provide prizes/trophies/medals as they do for the Tennis County Championships.
- Ensure that you communicate your Padel County Championships thoroughly to ensure all players and venues are aware of the opportunity. Ensure you reach out directly to padel and tennis venues and seek their support in sharing the message to members at their venues.
- County Associations may wish to engage a Padel Competition Organiser to deliver the Padel County Championships on their behalf, but this must be done in partnership with the County Association.
