In order to complete all matches, the use of abbreviated scoring should be considered for complete rounds of unfinished matches and, if necessary, the scheduled matches for that day.
11. If there are still unfinished matches at the close of play on the final day, the result of the matches shall be determined by the rubbers that have been completed providing one or two rounds of the day's programme have been completed in all matches of the group or section at that venue. Second round rubbers will only count if all second round rubbers of all matches at that venue have been completed. If no play is possible or fewer than 3 rubbers have been completed in any match at any venue, the results of all the matches for that day at that venue shall be declared null and void.
