2024 European Senior Club Championships

These were held at the Megasaray Club in Belek near Antalya in Turkey from 28 October -9 November 2024. The table below shows the performance of the clubs that represented Great Britain. Unfortunately, the event clashed with GB half terms so several teams were unable to compete.

Clubs qualify to represent Great Britain in the European Senior Club Championships by reaching the final of the Seniors National League in their respective age category in the prior year. (Seniors National League winners 2024 will be invited to take part in European Senior Club Championships in 2025 etc.).
