The Panel will use its expert knowledge of both the sport and elite performance sport to make such decisions.

If any member of the Panel has a conflict of interest on a selection matter, the member shall declare that interest and the Chair will rule how the conflict will be dealt with to ensure fairness.

The Panel reserves the right not to select as many players as there may be places available if it is felt it is in the best interests of the team achieving the stated aims.

4. Selection Meeting

- The Panel may consult specialists including, but not limited to, the programme physiotherapists, psychologist, medical practitioners and National Coaches as appropriate.
- Where such specialist input is obtained, the advice and/or recommendations will be minuted.

All selection decision communications will be followed up in writing.

8. Confidentiality

All players, coaches, members of the support team and any other individuals involved in the selection process must keep all information relating to the selection process confidential and not disclose any information regarding the process, the nominated athletes and the team selected unless authorised to do so by the LTA or once information has been made public by the LTA.

- **Discipline**

- **Anti-Doping**

Any investigation or disciplinary action taken in respect of an alleged anti-doping violation, whether in or out of competition. A proven anti-doping offence will result in immediate de-selection.

The Panel has the power to de-select a player should any of the above circumstances arise. In the event that a decision to de-select a player is taken, the player will be informed of the decision of the Panel within 24 hours and will be entitled to appeal the decision. The Selection Appeals Procedure attached at Schedule 1 will be followed in such circumstances with the dates amended appropriately to the circumstances.

12. Replacements/Reserves

Should a selected athlete be unable to compete, the Panel reserves the right to nominate a replacement. A replacement player must meet all the published eligibility criteria.

13. General

All players, coaches and support staff selected will be expected to stay with the team in the allocated hotel.
