Purpose

This guidance is to be used for all International Sportsperson governing body endorsement requests made on or after the **18 March 2025**. This guidance relates to the process for sports governing bodies to provide endorsements for:

1. relevant sporting individuals in their visa applications (Migrants);
2. venues seeking sponsor licences to sponsor Migrants (Sponsors).

Please note that this policy does not relate to the LTA submitting a visa application for any individual or organisation itself, only endorsing such an application.

Section 1: Overview of governing body endorsements for the International Sportsperson route

The **International Sportsperson route** is a visa application route for elite sportspeople and coaches who:

1. are internationally established and whose employment will make a significant contribution to the development of their sport at the highest level in the UK;
2. who will base themselves in the UK; and
3. will be filling a post that cannot be filled by a suitable British citizen or person who has a right to enter or stay in the UK without restriction.

The application process explained:

The International Sportsperson visa route has two main parts:

1. Migrants (e.g. Coaches)

The LTA is only permitted to endorse coaches under the International Sportsperson route. If you are applying for a visa to live and work in the UK as a coach under the International Sportsperson route, you need to be endorsed by an **approved governing body**. For the purposes of lawn tennis and padel, the Lawn Tennis Association (LTA) is an approved governing body (as specified in [Appendix Sports Governing Bodies](#)) and can, subject to the criteria being met, provide an endorsement for Migrant applicants.

This endorsement confirms to the Home Office that the Migrant satisfies the requirements for the International Sportsperson route, as agreed between the Home Office and the LTA and detailed in this document (see pages 5 to 7).

Migrants who are employed as coaches or sportspeople must also have the support of a Sponsor and an assigned Certificate of Sponsorship, as set out in paragraph 2 below.

2. Sponsors (e.g. Venues)

If you are an organisation (such as a venue) and wish to sponsor such Migrants, you must have a sponsor licence. Before you apply to the Home Office for a sponsor licence you must be endorsed by the **approved governing body** for your sport. For the purposes of lawn tennis and padel, the Lawn Tennis Association (LTA) is an approved governing body (as specified in [Appendix](#)

Lawn Tennis Association Limited governing body endorsement requirements

[Sports Governing Bodies](#)) and can, subject to the criteria being met, provide an endorsement for Migrant applicants.

This endorsement confirms to the Home Office that the application for a licence is from a genuine sports club (or equivalent) that has a legitimate requirement to bring migrants to the UK as sportspeople or coaches. Once licensed, you can assign a Certificate of Sponsorship to a Migrant (i.e. a sportsperson or coach) with a job offer that allows them to apply for entry clearance or permission to stay in the UK.

Each Migrant applicant must have a personal endorsement from the **approved governing body** for their sport, before the sponsor can assign them a Certificate of Sponsorship (as set out in paragraph 1 above).

Conditions of LTA endorsements

To provide endorsements for Migrants and Sponsors, the LTA must work within the Home Office's '[Code of practice for sports governing bodies](#)' and must comply with any immigration regulations, UK legislation and the principles of the points-based system as detailed on the [GOV.UK](#) website.

Any LTA endorsement does not guarantee that subsequent endorsements will be issued. Each endorsement will be considered against the relevant requirements and the information provided to the LTA at the time of the request.

Importantly, the LTA does not itself approve any applications for a visa. Endorsements provided by the LTA are merely a confirmation that the Migrant or Sponsor meets the relevant requirements, as outlined in this document.

Consultation

The following requirements have been agreed by the Home Office following consultation with the LTA.

Prior to contacting the Home Office during the annual review of this criteria, the LTA confirm that full consultation has been carried out with all interested bodies, Tennis Scotland and Tennis Wales, and individuals who have relevant expertise in the area of coach qualifications. There are no recognised player associations and employer bodies with which to consult in this area.

Review

The requirements will be reviewed annually. The next review will be in March 2026.

Process for applying for Migrant endorsement

Applications will be jointly considered by a panel consisting of at least 2 of the following:

1. LTA Head of Coach Development
2. a senior representative from the LTA Performance Team
3. LTA Head of Padel (in respect of padel only)
4. a lawyer from the LTA Legal Team

The panel shall determine whether a coach is suitable for a governing body endorsement. If the application is successful, the LTA will issue an endorsement via a form.

There is a non-refundable administration fee of £200.00 for each governing body endorsement in support of a sponsor licence application. Applicants must request bank details and transfer the fee to LTA Operations Limited with reference "GBE Endorsement – NAME OF APPLICANT". The endorsement will not be granted until the fee has been received by the LTA.

PLEASE NOTE: UKVI has additional criteria that a Migrant must satisfy before a visa will be granted to the Migrant. It is not the LTA who will grant a visa.

Injuries, absences and suspensions

Consideration will be given to the following when applying the criteria: injury; a period of maternity or paternity leave; serious illness or any legitimate medical reasons; suspension; international duty; bereavement; or family crisis.

In order to obtain the governing body endorsement, the individual must not be subject to a provisional suspension or any unexpired period of ineligibility from playing and/ or coaching activities in any jurisdiction as a result of being charged with or found guilty of a corruption offence and/ or a doping offence and/ or another misconduct offence.

Length of endorsement

Any LTA endorsement for a Migrant would be granted for an initial maximum period of 3 years, with a further extension of a maximum period of 3 years. If the contract is for fewer than 3 years, it will be issued for the length of the contract.

Lawn Tennis Association Limited governing body endorsement requirements

Extensions or changes of employment

Where the Sponsor wishes to extend the employment of a coach a new governing body endorsement should be applied for in line with the initial requirements, as described above.

If a Migrant is intending to change employer, their new employer must be a Sponsor and must request a new governing body endorsement. The endorsement can be issued for the length of the contract or to the maximum period permitted within the route, whichever is the shorter. The new employer must assign a new certificate of sponsorship to the Migrant to allow them to apply to the Home Office for new permission to stay. Permission to stay must be granted before the Migrant can start work with the new employer.

Salary

The salary should be agreed as part of the contract between the Migrant and the Sponsor. This and the other conditions of employment should be at least equal to those normally given to a resident worker for the type of work undertaken.

Supplementary employment

International Sportsperson Migrants are eligible to undertake supplementary employment under the Home Office supplementary employment regulations. The 'Supplementary employment' section [Workers and Temporary Workers: guidance for sponsors – Sponsor an International Sportsperson guidance](#) has more information on this.

¹ Venue Registration is the LTA's recognition that a registered tennis and/ or padel tennis venue has achieved certain minimum standards and best practice. This status confirms that the LTA supports a venue's tennis and/ or padel tennis programme, policies and procedures, and venue management. To qualify the venue must be registered with the LTA. The 'LTA venue support' page has more information on this.

Lawn Tennis Association Limited governing body endorsement requirements

PLEASE NOTE: UKVI has additional criteria that a tennis venue or Tennis Scotland/Tennis Wales must satisfy before a sponsor licence will be granted to the Sponsor. It is not the LTA who will grant a sponsor licence.

Section 4: What can I do if I disagree with the outcome of my application?

The Review

Where an application has been refused on the grounds that the Sponsor and/or Migrant sportsperson or coach does not meet the requirements, the Sponsor may request a review of this decision from the LTA within 28 days from the date they are notified of the original decision.

Please note, only the Sponsor may request a review; Migrants and other parties cannot request a review.

The LTA Performance Director will convene a hearing which can be carried out on the telephone or via video call. In such circumstances, the Sponsor will be provided with details of the format of the hearing and the identity of the review panel, and the particular issues that will be addressed.

Review Process

The only remedy in the event that a governing body endorsement is refused is the review process as set out in this policy.

Any request for a review must be sent to the LTA Performance Director.

The review panel will be constituted by the LTA Performance Director (or another senior member of the LTA Performance Team) and the LTA's Head of Legal (or another senior member of the LTA Legal team who was not involved in the original decision).

Any request for a review must set out details of the decision that the Sponsor wishes to be reviewed or, if the Sponsor does not wish to review the whole decision, the Sponsor must identify which part of the decision that it wishes to be reviewed.

The only grounds for review are one or both of the following:

- (i) A failure by the LTA to follow this policy in determining the application (i.e. there has been a procedural defect); and/or
- (ii) The application decision has been reached on the basis of an error of fact.

Any request for a review must, at the time it is made, set out:

- which (one, or both) of the above grounds the Sponsor wishes to rely on; and

Lawn Tennis Association Limited governing body endorsement requirements

- full details, including supporting evidence and documentation, setting out the specific basis on which the review is sought and evidencing the ground(s) on which the Sponsor is relying.

The Sponsor shall not be entitled to rely on any ground, factual information or evidence which is not set out in the request for a review.

A Sponsor must therefore ensure that all evidence and information it wishes to present in support of its application is presented at the time the request for a review is made.

Power of the Panel

The review panel shall have the authority to determine if:

- there has been a failure by the LTA to follow this policy (i.e. there has been a procedural defect); and/or
- the decision has been reached on the basis of an error of fact.

The Decision

The review panel will make a decision using the above criteria which shall be final and binding.

There shall be no right to appeal the decision of the review panel following the review process.
