INTRODUCTION

Welcome to the player information pack for the 11U,12U and 14U Lexus Junior National Tennis Championships 2023. This document will provide you with the information you need to enter and compete in the events.

We are incredibly excited about delivering the 11U, 12U and 14U Lexus National Championships in 2023 at Lexus Nottingham Tennis Centre. Following a successful pilot at the Grass National Championships earlier this summer. The 14U format will be a 'double elimination' format (also known as feed in consolation). Retaining its usual place in the calendar, the event will be played on the newly surfaced acrylic courts as well as having indoor backup which may be used for some consolation matches too.

For the 11U and 12U main draw in each event will start with a round robin format, with every player playing three matches. The top two players in each box will then progress to compete in a 16-player elimination draw to become the national champion.

The 9U and 10U Grade 1 National Tour is not considered as a National Junior Tennis Championships but will be run alongside the Lexus Junior National Tennis Championships. This National Tour Tournament is the final event of the 2022/23 calendar; the event aims to create an opportunity for the best players in a year group to compete against their peers. This year will see the introduction of the 10U event being played with a yellow ball and the 9U event being played with a green ball and on a green court. These enhancements have been made in collaboration with the Performance Team to ensure player development is at the heart of the Performance Competition Calendar. The 9U National Tour will be held indoors and some matches of the 10U National Tour will also be played indoors.

We look forward to receiving your entry and hopefully welcoming you to the Lexus Junior National Tennis Championships & Lexus National Tour 2023.
