

BE A YOUNG PERSON'S **WELFARE** AMBASSADOR

Young Person's Welfare Ambassadors, or YPWAs, are young people aged 14–24 who play an important role in promoting safeguarding within their venues. The 12-month programme supports YPWAs to:

- Raise awareness of safeguarding and welfare issues amongst members and players
- Gather feedback and become a voice for young people
- Provide an important link between venue committees and children and young people

WHAT'S IN IT FOR YOU?

- The opportunity to take a more active role in your club
- Make a difference by being a voice for young people
- Meet other young people from across Britain who also want to make a difference
- Gain confidence and develop a range of new skills such as public speaking and presentation skills – we'll give you training to support with this!
- Get valuable experience which could translate into future careers such as social work, police, education and sport
- Written reference upon request to support UCAS, job or college applications
- Printed certificate
- Completed hours and work signed off for Duke of Edinburgh Awards
- Ballot entry to win a pair of tickets for LTA major events on completion of the tasks and circulating the final survey
- A hoody to promote your role at your venue
