The Lexus British Tour Masters event returns to Loughborough University in December, and previous champions include none other than former US Open title winner, Emma Raducanu.

The Lexus British Tour is a tennis circuit for professional players wanting to compete on home soil, young stars with ambitions of going pro in the future, and national level players who still compete at a high level.

With approximately 30 Lexus British Tour events across the year, players climb up and down the leader board depending on their results. Whoever sits top at the end of the year is also crowned the Lexus British Tour Bonus Pool Champion.

The Lexus British Tour Masters event at Loughborough is played over 3 days, Thursday 12-Saturday 14 December, with group matches for the 8 player men's & 8 player ladies played on the Thursday and Friday, then semi-finals and finals on the Saturday.

There is courtside seating for Saturday 14 December, with the semi-finals scheduled from 9.30am, and finals from 11.30am/12noon.
