In a nutshell

Keep it simple...and when I say simple

1. Be clear

- What do you want
- What is your vision
- What can you give

2. Be meaningful

- What can you share
- What can you offer
- What can they offer

3. Be friends

- What can you offer?
- What can they offer?
- Why should they?

Keep
Going!

Manners cost nothing. Always remember to say...
