\*We, (the LTA), believe the Junior Grand Slam events are amazing opportunities for our best junior players to compete in and experience, therefore grants will be awarded to players who are accepted into the Main Draw (singles) For further information please see the [Junior Grand Slam Grant Policy](#).

\*\* In some instances [player grants will be awarded for overseas tournaments](#) where an official trip is not planned. This is to help players progress in order for them to transition to the next stage of the pathway or, for senior players, where a player has shown outstanding recent results to put themselves in contention to reach Grand Slam qualifying. Such grants will be available only at the discretion of the LTA and there is no formal application process.
